The Citizens' Utility Ratepayer Board (CURB), a Kansas state agency, is seeking a highly motivated regulatory attorney with excellent writing, analytical and oral advocacy skills to assist the Consumer Counsel in representing residential and small commercial consumers in utility rate cases and other regulatory proceedings before the Kansas Corporation Commission (Commission), the courts of Kansas and in the Kansas Legislature. The ideal candidate will have a broad knowledge of issues related to regulation of the electric and natural gas industries, understand the ratemaking process and will be competent, motivated and have the ability to work with minimal supervision. Responsible for all aspects of case development and presentation, including issue development, discovery, presentation of the ratepayers' case and testimony both alone or in conjunction with outside consultants, preparation of motions, briefs and other internal and external communications, cross examination of utility witnesses and oral presentations to the Commission, courts or the legislature.

Applicants must be a member of the Kansas Bar and have litigation experience.

Salary range: up to the low 70's with substantial experience, lower with less experience.

Submit a resume with references, writing sample and cover letter by August 28, 2015 to:
